## **\*INSTRUCTIONS\***

Send in your donation for the "Mother's Scarf" art installation in these 4 easy steps:

- **Choose a scarf or shawl** you wish to incorporate into the installation. There are no limits to size, materials, or color.
- **Write a short note** with your name, country, and a message to send along with the scarf. A message (1 – 2 sentences) can be anything you would like to say and dedicate to hundreds of people who will see the art installation this July.
- **Take a few photographs** of you holding the scarf (as pictured below) and send us those to [pcrc.bih@gmail.com](mailto:pcrc.bih@gmail.com). Your photographs will be used for project promotion on our social media and inviting more women to contribute to the initiative.
